

ARAGÓN

TOURIST EXPERIENCES 2016

NIGHT IN IGLOO (ASOCIACIÓN TURÍSTICA VALLE DE TENA)

A unique experience in the country that gives you the possibility to sleep in full nature under the starry sky of the Pyrenees in winter. The activity begins by making a snowmobile route or sled pulled by Nordic dogs in a spectacular snowy landscape.

We will build an igloo where you can spend the night in the purest Eskimo style, in the most comfortable way, enjoying the snowy mountains, the moon and the stars to dawn in a fabulous environment.

And we will also taste typical Aragonese products of the Tena Valley in the heat of the fire in a mountain refuge. All this accompanied by professionals.

- **Availability** : Winter
- **Min Age** : 5+
- **Max People** : 20

What this experience includes?

- ✓ Mountain guide
- ✓ Dinner and breakfast
- ✓ Transport in sleds and snowmobile

Items not included

- x Bring warm, waterproof and thermal clothing
- x Personal hygiene kit
- x Polarized goggles and ski boots

ENOAVENTÚRATE. MUSHING BETWEEN VINEYARDS

LA RUTA DE LA GARNACHA)

Experience of active and unique participation in the art of traveling on a sled pulled by Nordic dogs, exploring and discovering splendid and majestic landscapes among the vineyards of La Ruta de la Garnacha (Borja, Zaragoza).

The activity is totally accessible and in it we show not only the landscape richness but also the importance of some crops that dynamize the economy of our surroundings. Current tourist packages include a sleigh ride with dogs and various activities such as the visit to the Palace of the Counts of Bureta, meals in local restaurants, visits to wineries, vintage night or country lunches

Recommendations:

- 229/5000 The rides are subject to cancellations or changes of day if the ambient temperature equals or exceeds 14 degrees Celsius (for safety and well-being of dogs) and if the weather conditions are adverse.
- The shoes should be adequate and the clothes comfortable and according to the seasonal season.
- The following accessories are recommended: a headwear (gloves) and gloves.
- In case of rain we provide a poncho per person.

LIVING THE PYRENEES

(ASOCIACIÓN DE TURISMO ORNITOLÓGICO Y NATURAL DEL PIRINEO ARAGONÉS)

Explore and know how you live in the Pyrenees. The activities of Vive el Pirineo are aimed at children and their parents so that they learn and can better value their cultural and natural heritage. There are two types of activities:

Connected to the natural world: In search of the Bearded Vulture, Ethnobotanical Tour, The secret life of orchids.

Actions that are developed in the rural world: Spinning our wool, Cattle for a day, Honey bees, Adventures in the chicken coop and The secret of Jánovas.

A great occasion to arouse the curiosity of the little ones.

Services

- A minimum number of participants is required to perform the activities
- Several departures from different locations
- Discounts for families

PREPYR 365. PLAY PREPIRINEO

(ASOCIACIÓN TURÍSTICA VALLE DE TENA)

For the more active these routes by the Pre-Pyrenees of Aragon are unique.

Two great mountain bike trails in which everything: accommodation, repairs, gastronomy ... is oriented towards the needs of the sportsman. Two cycle routes: Prepirenaica Slow, which joins 4 stages Bierge and Sos del Rey Católico through 182 kilometers of tracks and local roads and the Prepirenaica All Mountain, with a more technical and demanding profile and linking Alquézar with Luesia, also in 4 stages and 235 kilometers. Finally the Prepirenaica Trail is a challenge that every senderista or runner should live. A route of 227 km with long stages that connect populations, seeking to crown the high parts of the mountain ranges and visit magical corners.

What this experience includes?

- ✓ Half-board stays
- ✓ Transportation of luggage
- ✓ Transfer to starting point
- ✓ Consult what else they include according to the chosen route

Items not included

ZIP-LINE TENA VALLEY (COMARCA ALTO GÁLLEGO)

The fun is assured. It only takes a pinch of decision to get on the longest double zip line in Europe. From the spectacular viewpoint of Hoz de Jaca and comfortably seated, the user “flies” for 950 meters over the reservoir of Búbal reaching a height of more than 20 meters.

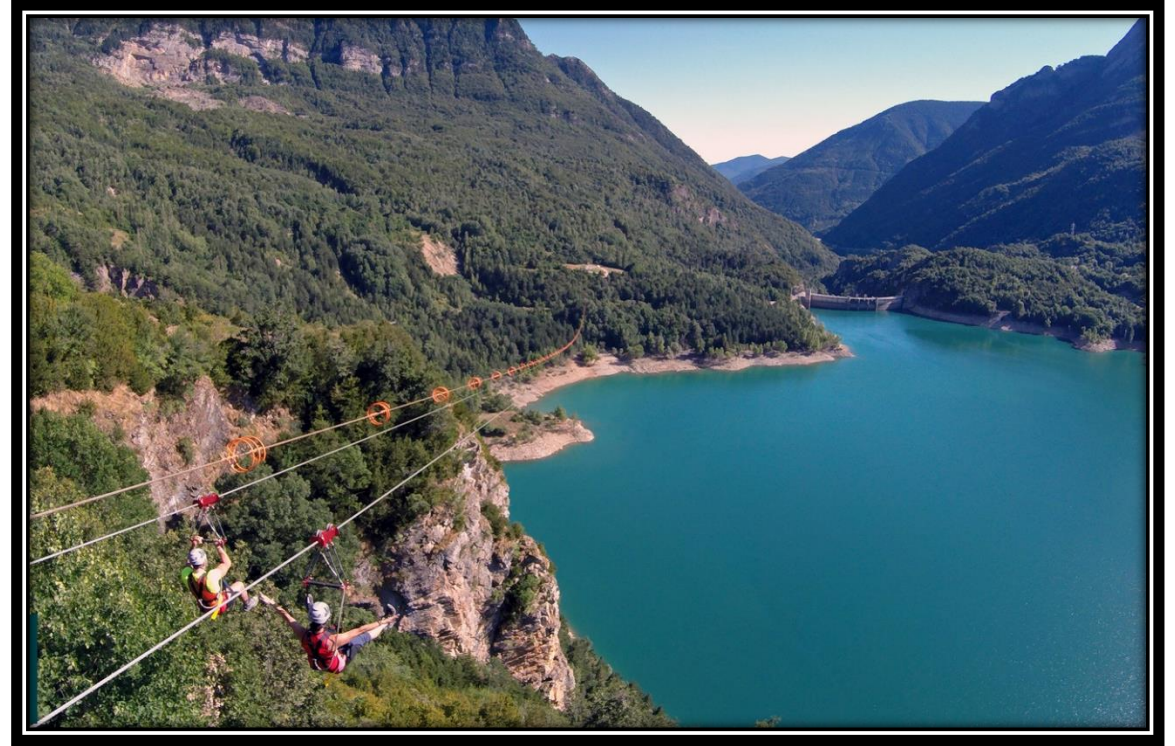

It can be enjoyed 365 days a year. They are impressive night jumps with full moon (in the light of the moon) or with new moon (only you and the stars) that take place from 22.30 to 24.30 h. There is no age limit nor is it necessary to have a special physical form (people have jumped from 9 to 92 years).

Requirements

- Your weight should be between 40 and 125 kg.
- The minimum height is 122 cm.
- We will provide you with helmet, glasses, car and chair and you will leave your ID as a deposit
- Persons between the ages of 10 and 18 must carry their ID and parental consent.
- Groups of minors will have to be accompanied by one adult for every seven minors

Rules

- It is necessary to wear shoes with good support, closed behind.
- Hats, caps and hats are not allowed during the descent
- The only cameras that can be used during the activity will be "Gopro" type with head, chest, wrist and ankle harness.

SOMONTANO WINE BUS (COMARCA SOMONTANO DE BARBASTRO)

It is an experiential journey where the ingredient wine is joined something more: nature, culture, gastronomy ...

Tourists who have climbed the Wine Bus have lived unique experiences since the Wine Bus manages to transmit an experience, an emotion, far from being an itinerary to use. Tuck a warehouse in a cellar, enter a crypt closed to the public, make a tasting in the atrium of the Collegiate Church of Alquézar overlooking the medieval village, have lunch in the middle of a vineyard ...

These are unique experiences that only can live up to the bus. The Somontano Wine Bus itineraries are well cared for in detail. In each one of the trips is accompanied by a sommelier specialized in the territory.

Availability: Different dates
Min Age :+18

Information

- Departure from Zaragoza 9h. Paseo María Agustín, 12-14
- Departure from Huesca 9,50h. Avenida Juan XXIII next to the Polideportivo del Parque
- Return from the last visit at around 6.30pm.

BECOME A GUIDE OF LACUNIACHA (PARQUE FAUNÍSTICO DE LACUNIACHA)

Many schoolchildren visit Lacuniacha every year to see bears, bison, sarríos, lynxes ... In this case, the children are accompanied by a Guide to the Park that gives them a more educational vision and information that may not reach the individual visitor .

At the end of the school visit, each child is given a children's ticket that they return to the Park accompanied by their families and they are the ones who guide them, transmitting the knowledge acquired. Once the family visit ends, the child receives a diploma accrediting them as a Guide to Lacuniacha and a gift (pet of Lacuniacha of stuffed animals).

Recommendations

- Wear suitable footwear for the mountain, mountain boots or sports shoes
- Wear warm clothing, raincoat, sunscreen
- Animals are not allowed to enter
- It is recommended that babies can walk the park in baby carrier or 4x4 cart.

What the experience includes

- Route marked and marked by natural trails
- 14 species of animals in semi- freedom
- In the park there are catering services, picnic and gift shop
